"First tattoo. Chest and sleeve. I got a chinese dragon and an oarfish. Mike did an absolutely incredible job! I'm Chinese so it was really important to me it looked like and followed Chinese/Japanese oriental art styles. He's a proper specialist. The design and art work is better then I ever could have imagined and I couldn't be happier. I would travel across the country to get my tattoos here."

"I had my ears tested and checked over. The booking system was easy to use via their website. On the day of my appointment it was a straight forward process and no hassle at all. Galen was great and answered all of my questions. Highly recommended."

- Christopher Stronach

"I have been going to this salon for a number of years and for many occasions and have always been delighted with the results. I wouldn't trust anyone else with my hair and always look forward to my next appointment. The staff are so lovely and friendly and have always given me really good advice, so much so that I leave most of the decisions up to my stylist. Best salon ever!"
