### Savings to be made?

#### Enhanced Waste Management Services

'EIS Waste Services Ltd is an independent Waste Management provider who specialise in bespoke waste collection and recycling services for the industrial, commercial, construction, retail and domestic sectors. Our aim is to help and support our existing customers and new customers with their waste management and environmental goals.

We are, and always have been, a family owned local business and our comprehensive range of waste collection services is backed by over 45 years of experience. Our ethos is "Diversion from Landfill" and we explore all disposal routes possible to provide a high percentage of recycling for the waste materials that we collect. We utilise Energy from Waste plants for any residual waste, to truly divert all of our waste away from Landfill.

We are based in the Aberdeen area and our operations stretch across the City and Shire with a fuel-efficient modern fleet of specialist vehicles featuring the latest GPS satellite tracking and communications technology, providing complete operational control and real-time job status.

With the help of our purpose built Waste Transfer and Recycling Facility, our state-of-the-art computer software and dedicated account management team, EIS provide an unrivalled reliability for diverse waste collections. As part of our Zero Waste to Landfill package, our monthly environmental reports demonstrate performance with

efficient and industry leading waste recycling services, we must, and we do, embrace our responsibility to work in partnership with our customers and with our Zero Waste to Landfill package your business can achieve higher recycling rates, divert waste from landfill and reduce waste management costs with EIS Waste Services Ltd.'

---

**We are Inverurie BID - Scope of Quotation**

- Inverurie BID has requested the implementation of an enhanced Waste Management package from EIS Waste Services Ltd that can be offered to the levy payers who are members of the Inverurie Business Improvement District.
- All proposals herein from EIS Waste Services Ltd meet the present Waste Management laws and comply with the Waste Scotland Regulations 2012.
- All Waste Management Services are available to the BID levy payers and the standard service is predominantly for kerbside Wheelie Bin collections. EIS Waste Services Ltd also offer services that include Skip Hire, Site Clearances, Waste Electrical Collections and Hazardous Waste Collections and these services would be priced on application due to their ad-hoc nature. Enhanced pricing will be offered for these services to businesses who are members of the Inverurie BID.
- The costs for the following kerbside services are included in our pricing agreement:
  - Wheelie bins of various sizes for General Waste
  - Wheelie bins of various sizes for Dry Mixed Recycling waste
  - Wheelie bin (240 litre) for Mixed Glass waste
  - Wheelie bin (240 litre) for Food Waste
- Waste Management reporting, where required.

**EIS Waste Services Ltd – Proposals**

- EIS Waste Services Ltd will supply colour coded wheelie bins to encourage higher rates of recycling.

EIS Waste Services is a trading name of EIS Waste Ltd Registered in Scotland SC254990.  
Registered Office Caltonhill Recycling Centre, Cheekier Nigg, Aberdeen AB12 4LP
